August 16, 2016

Dear Parents & Guardians:

The orientation for grade 9 students and new students to the district is August 29, 2016, from 7:35 a.m. to 12:15 p.m. Enclosed you will find the orientation day schedule and your child's schedule for the 2016-17 school year. On orientation day, your child should report directly to his / her homeroom. The homeroom teacher appears on the student schedule under Falcon Period - Day 1 (it is also listed as Homeroom on the top of the student schedule).

Busing will be provided to and from school. Please refer to the STSD bus information card for bus number, stop, and pick-up time. If you have any questions about busing, please contact the Director of Transportation, Mark Donnelly, at 610-797-2062 ext. 1306.

Lunch will also be provided to students. Pizza, a vegetable, and a fruit will be served at the cost of \$3.00. Of course, students can choose to bring their own lunches.

If you drop off your child in the morning, please arrive no later than 7:30 a.m. to allow for travel time to the homerooms. Students should be dropped off using the entrance and exit off Dauphin Street. The Dauphin Street loop is designated for "Student Drop Off / Pick Up" during the school year.

New students to the district are invited to attend a Macbook Basics Workshop at 12:30 p.m. in the high school library. The training will introduce students to using the software and features on their Macbook. Along with learning the basics, students will also learn how to print to the print centers, access their school email, and check their grades online. Transportation is not provided home after the workshop; therefore, students will need to be picked up at 1:30 p.m. If you plan on attending this workshop, please RSVP by calling 610-797-4107.

Please review the enclosed materials with your child. If you have any questions about orientation or your child's schedule, please contact Salisbury High School at 610-797-4107.

Sincerely,

Brian A. Muschlitz
Assistant Principal
